

STEPS TO VALIDATE YOUR KYC

As per SEBI guidelines, verifying your KYC details such as email ID and mobile number registered with KRA (KYC Registration Agency) is mandatory. To do this, please follow the steps below to verify/ validate your KYC.

Visit the respective KRA website as you registered. Here we describe the NDML KRA validation process.

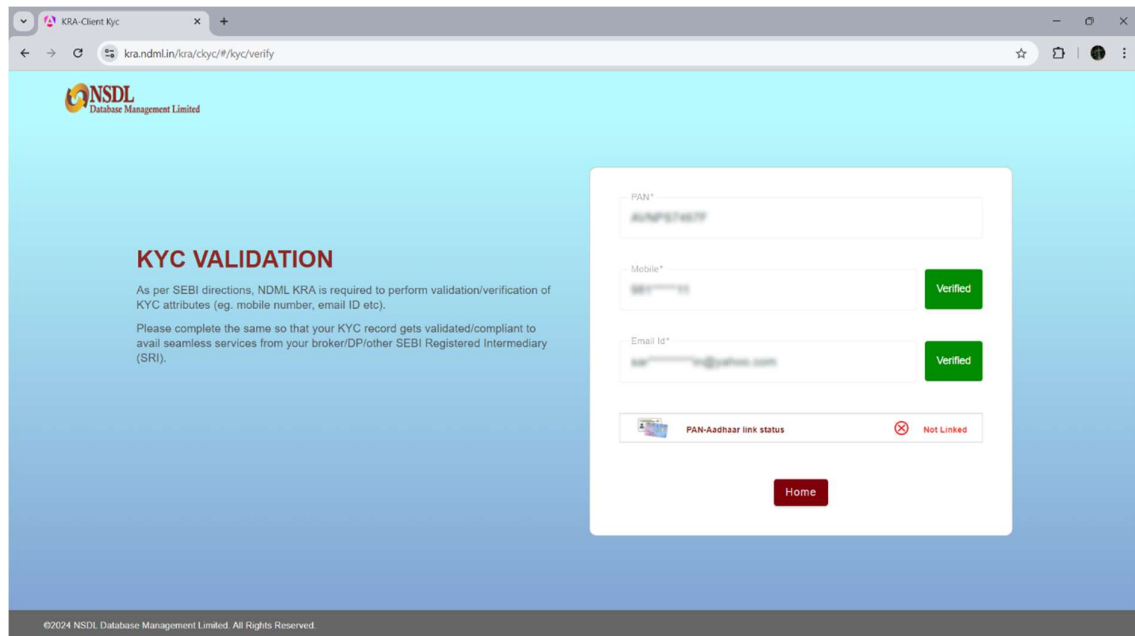

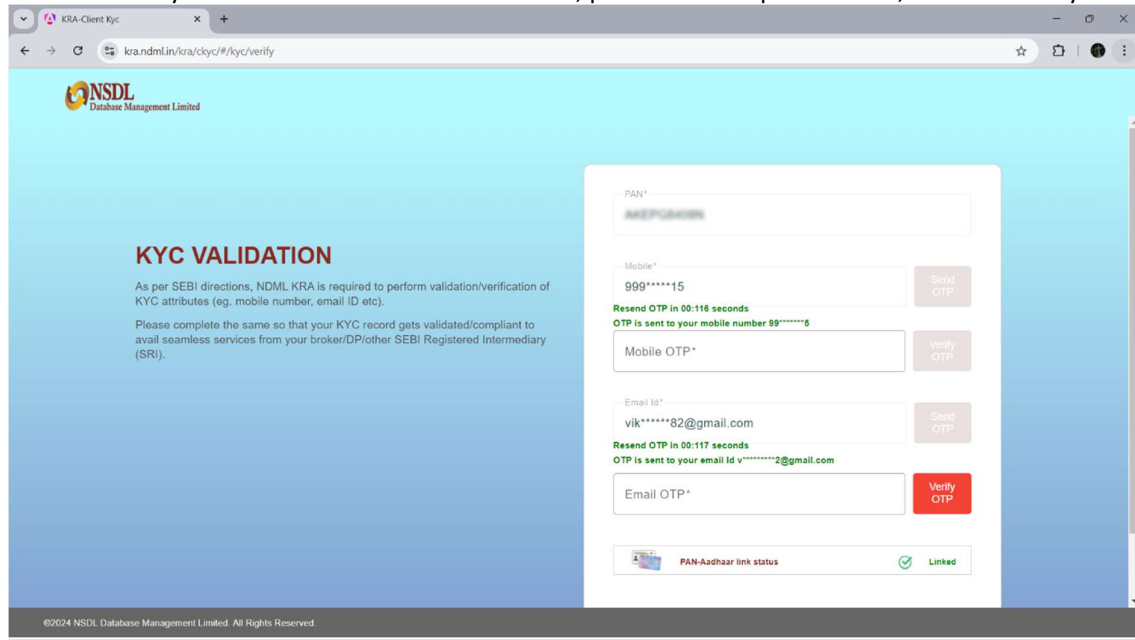

- Visit the KRA VALIDATION link at <https://kra.ndml.in/kra/ckyc/#/initiate>.
- Enter your PAN and click on SUBMIT.

The screenshot shows a web browser window with the URL kra.ndml.in/kra/ckyc/#/initiate. The page features the NSDL Database Management Limited logo in the top left. The main heading is "KYC VALIDATION". Below the heading, there is explanatory text: "As per SEBI directions, NDML KRA is required to perform validation/verification of KYC attributes (eg. mobile number, email ID etc). Please complete the same so that your KYC record gets validated/compliant to avail seamless services from your broker/DP/other SEBI Registered Intermediary (SRI)." The form on the right contains a "PAN*" input field with the value "C7UEBL" and a refresh icon. Below it is a "Captcha*" input field with the text "Type the characters you see in the picture above". A "SUBMIT" button is located at the bottom of the form. The footer of the page reads "©2024 NSDL Database Management Limited. All Rights Reserved."

Click on Send OTP for Mobile and Email ID respectively.
